Walking Challenge with Chandra

Remember last year when our super-parent, Chandra Alapati, walked tirelessly around Nonsuch Park for 8 whole hours, raising funds for the PTA? Well, it's that time again, and guess what? YOU are invited to be part of the action! Come join us on December 2nd, 2023, at Nonsuch Park Gate at 9am, and let's conquer this walk together as a community of rockstar parents and carers!

The walk will take us through Ewell and the Hogsmill open space following the river towards Epsom Common and Ashted. We will then return via a different route going through Horton Park Nature Reserve. All in, the route is 20km. PTA committee members will be joining Chandra for this challenge so please join us also. We are hoping to raise £2500 from this fundraiser and have got to £600 so far. We thank you for your continued support.

£15,000 of funding committed to School

We are delighted to share some exciting news with you regarding the recent initiatives funded by the Parent-Teacher Association (PTA). Thanks to your overwhelming generosity, the PTA was able to commit £15,000 towards enriching the experiences of our students at Nonsuch High School for Girls. In the face of the current cost of living crisis, your support has been truly remarkable, and we are immensely grateful for the community's dedication to our school's well-being. The funds raised will contribute significantly to enhancing the educational journey of our children. Here is a glimpse of some of the items and initiatives that your contributions will be supporting:

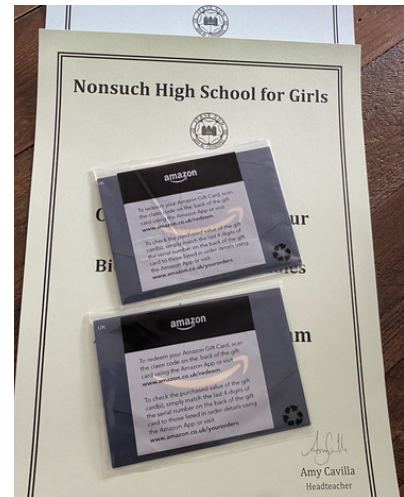

Left: Ice Cream Makers - £240 has been donated by the PTA to cover the cost of 3x Cuisinart Ice cream makers. KS4 are not able to make ice cream for their 3-hour NEA exam because it takes too long without the use of an ice cream maker. This will allow pupils to add complexity to their dishes and provide more options. It can also be used with KS3 cooking clubs as one of their weekly recipes. These could also be used for other events such as activities week, MasterChef competitions ect.

Right: Achievement Awards - £4500 was donated by the PTA to fund outstanding achievement awards which are given to students at the annual prize-giving event.

Left: SATRO - Competition entry fee and transport costs

Teams of 6 students from Key Stage groups 3, 4 and 5 compete at one of five heats to qualify for the final. The teams are set a problem to solve, using only the materials available, within a fixed time. The qualifying teams are the winners from each Key Stage from each heat plus the next best five teams overall.

Below: £3200 has been pledged for 10 x Lego Spike Primes for Robotics kits used in extra-curricular provision. Offers yr7 and 8 a chance to learn and develop their understanding of robotics using a rolling termly delivery plan. Enables years 9 and 10 to compete in First Lego League competitions.

The PTA would love to hear from you and help us build a lovely parent community.

Thank you once again.

PTA Committee

The Nonsuch High School PTA would be very grateful to receive donations of good quality, clean and current uniform items. As you know, all proceeds from uniform sales are donated back to the school to fund a variety of projects across different departments.

- Almost all items (except coats) have been washed, but some late donations may not have been laundered
- Uniform has been stored in bags and therefore may require “freshening up”
- All items are sold as seen.
- Some items will have embroidery, so please unpick.
- All payments must be made electronically. A payment link (from our online payment system) for your purchases will be sent to your mobile phone via SMS
- **Please fill out this online form for preloved uniform requests.** Please let us know the size you wish to purchase, and we will email back within a few days.
