Spring Term Events Review

by Masha Barnard

We are proud to have participated in some great events this month.

Gym & Dance was held by the school on the 15th and 16th of March. There was a mixture of cultures and styles. We saw vibrant and colourful traditional Indian dancing, energetic street dancing, and powerful gym performances from, we believe, future Olympic medalists. We also saw thoughtful and touching interpretations inspired by Chinese poetry, English literature, and famous musicals. We witnessed amazing teamwork and strong individual performances.

Spring Concert took place on the 23rd of March, and once again, the children amazed us with their talents. To be honest, some of the performances even brought tears of excitement to our eyes. It's the moments like that which make us realise why we are here.

We had lots of different performances on the day, a band playing pieces of famous songs, a stunning Indian dance performance, group of girls playing ukulele and singing and lots more. The solo singing performances were followed by the choir's polyphonic singing which was breathtaking. The level of talent on display during the piano and violin performances of classical music was extraordinary. It felt like we were watching someone playing at the National Theatre instead of a school concert.

It wouldn't be surprising to see these children on shows like Britain's Got Talent in the future. These events are a fantastic opportunity for our girls to express themselves, try out performing on stage, and develop their confidence. It's thrilling to see the students grow and learn through these experiences, and we are proud to support them. Thank you to everyone who helped make this concert a success!

Volunteers Needed for busy Summer term

The summer term is a busy time for the PTA. We have our biggest event of the year, the Year 7 Welcome event. The event welcomes around 120 parents along with their daughters who are starting Year 7 at Nonsuch in September. The girls who attend take part in sports workshops which are organised with the help of local sports clubs. For this event to be feasible we are reliant on 20-25 volunteers from the Parent and Carer community to help out on the day. Typical responsibilities include welcoming and directing parents to the registration, marshalling children between events on the main field setup help distribute snack bags/drinks, We can only put these events on with your help so if you have a few hours spare please sign up to [volunteer here](#)

Movie Night a big success

Overall, the Black Panther movie night on the 29th of March was a great success. The PTA did an excellent job of organising the event, ensuring that everything ran smoothly and that the children had a fantastic time. It was wonderful to see so many children coming together to enjoy a movie and spend time with their friends.

We had all food pre-arranged and labelled with the children's names in advance. This made it easy for the children to collect their food and find a table with their classmates. It was great to see the children socializing and having fun throughout the movie, with lots of chatting, giggling, and screaming adding to the excitement of the evening.

While some children were focused on the movie, others found different ways to enjoy themselves. Some entertained their friends, while others had a quiet evening with their mobile. A few children even took a walk around the school or got lost for a few minutes on the way back from the restroom, but the PTA was on hand to make sure everyone was accounted for. A few children also took advantage of the opportunity to have a photoshoot, resulting in lots of fun and memorable photos. We believe some took it to the extent of 200 pictures during that night. Overall, it was a great evening filled with friendship, laughter, and fun.

1. Pui Tam - New member Profile Joined February 2023

I have two daughters at Nonsuch, in Years 7 and 11.

Being part of the Nonsuch PTA gives me a chance to raise much-needed funds to enhance our daughters' school experience. It also offers opportunities to strengthen the school community by running events that are enjoyed by students and parents alike!

In my spare time, I enjoy solving puzzles of all types. Having been heavily influenced by both my daughters (and sons too!), I have developed a love for classical music and football.
