Year 7 Pupil Cycles to London to Paris for the PTA

Following the resounding success of the Walking Challenge in early December, the PTA was thrilled to receive a call from a dedicated Year 7 parent expressing interest in organizing a fundraising event for the PTA. The proposal involved Hiruki, a Year 7 student, her brother and her father, Dhansuhka, embarking on a remarkable journey: cycling 300km over four days from Tower Bridge in central London to the iconic Eiffel Tower in Paris. Not only did Hiruki and her family complete this epic challenge, but in the process she raised a fantastic £1400 for Nonsuch PTA through sponsorship provided by her friends, family and the Nonsuch Community. The PTA would like to say a big thank you Hiruki and her parents for volunteering to carry out this fundraiser!

FRIDAY 19 JANUARY 2024

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and the PTA will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

We are collecting **good quality items for RE-USE: Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.** (No uniforms, workwear, pillows, duvets or pieces of fabric please) The more we weigh the more we pay!

Pupils can bring item (s) in a bag to the school hall and place them behind the stage before school starts. Bags can be brought on Thursday, 18th Jan and Friday, 19th Jan. Additionally, parents can deposit bags at the Nonsuch Park Gate between 8.00am and 8.30am on these two days.

Cycling to Paris from Nonsuch Dad

300 kilometres, 4 days of riding, and a bit of sore legs BUT with loads of joy, and lifetime memories; we completed our London to Paris bike ride!!!

Hiruki, her 13-year elder brother, Minul, and I embarked on this journey not just for the thrill of the ride, but to support Nonsuch PTA and to have a quality father-son-daughter time. Together, with you, the Nonsuch family, we did it. THANK YOU for all your support, messages and encouragement! Together, we raised £1400! We all can be very proud.

Neither Hiruki, Minul nor I are pro-cyclists. We are not super sporty either. But we wanted to do something special during Xmas and New Year. We wanted to make a tiny positive dent in society and to have a personal positive impact. As a dad, I can't recommend enough doing a similar project. It's an adventure and leaves lasting memories.

Before you ask the question, NO! We didn't ride back from Paris to London. We took the train for the return leg :) Was it a lot of physical endurance? I say at least it didn't feel that way. The continuously changing environment and landscape overpowered physical challenges. We stopped at almost every pastry and cake shop we saw on the way. Not all, but a good few :) You get the picture :) It was a physical challenge but fun!

Once again, thank you for backing us in this endeavour. Thank you for helping make a difference. Together, we did it!

Until next time!

Dhanushka – Hiruki's dad

Update from the Chair

Dear Parents and Carers,

A very happy new year to you and your families from the PTA. I hope you had a great holiday period and had some time to rest and reflect on the year just gone.

Since my last update, the PTA machine has kept moving behind the scenes. Several initiatives are in progress. Our next event is the Bag2School which we hope will provide an opportunity for the Nonsuch community to donate unwanted clothes in bags which will benefit the PTA - Just drop your bags off at Nonsuch School Park gate in Nonsuch Park on either the 18th Jan or 19th Jan between 8 am and 8.30 am. The bags will be weighed and the PTA will be paid (50p per kg)!

The Christmas Raffle was an outstanding success. With your help and generosity, we managed to raise £2400 profit! Along with the other events, we have had a great start to the year. The 200 Club is a big focus for us in terms of fundraising as it's our biggest revenue earner so we are trying to grow our subscriber numbers - so please join up if you haven't already. And the more subscribers we have - the bigger the prize pot!

This term we have the **Krispy Kreme Doughnut Pop-up Shop!** As you can imagine, this is a very popular event where we sell 1,000 doughnuts in 30 minutes!

We were very satisfied with the feedback from the walking challenge so we are looking to do a variation on this type of community event in the future, possibly a cycling event in the summer term - so watch this space.

Finally, I would also like to encourage anyone who donated to either the Walking Challenge or Hiruki's London to Paris Bike ride to check if their employer has a Matched Funding scheme. More details on Matched Funding are on the next page. I am pleased to report we have received £730 of matched funding so far from companies.

All the very best

Matched Funding Scheme -

Did you know that many companies offer their employees Matched Fund Schemes, whereby employers match money raised by a given charity.

For an introduction to what Matched Funding is, please have a look at the [national PTA website](#).

As Nonsuch PTA is a registered charity, these schemes are an excellent way of raising additional money for our school. Our Walking Challenge and Hiruki's Paris Bike ride is an ideal time to ask your HR department if they offer Matched Funding and a little bit of your time could raise double the funds for our school. **So far we have been able to raise £730 through matched funding!**

If you work for an organisation that has a Matched Funding Policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the organisation detailing the date and nature of the event, together with the total raised. We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in Matched Funding too, as well as other schemes such as Charitable Giving.

We would be grateful if you could see if your employer has a Matched Funding Scheme, or if they are willing to match fund any of our events. If you can't help out this time, but you know the company you work for has a Matched Funding Policy, please let us know by emailing pta@nonsuchschool.org Matched Funding could be a really large source of income for us and help us raise money to support and enrich our students experience.

- Uniform has been stored in bags and therefore may require “freshening up”
- All items are sold as seen.
- Some items will have embroidery, so please unpick.
- All payments must be made electronically. A payment link (from our online payment system) for your purchases will be sent to your mobile phone via SMS
