

PASTORAL UPDATES

MONDAY MARCH 2ND

PSHE (including RSE) regular update

Personal, Social, and Health Education (PSHE) is a non-statutory but important and necessary part of all pupils' education (Department for Education, 2020). We hope that you find the regular updates on what we have covered in our PSHE sessions for Years 7-13 useful and that you engage with the content and discuss this with your child and family. For further information about what is being taught this term please visit our [school website](#). If you have any questions about any aspect of PSHE please contact your child's Head of Year.

What have students been taught in PSHE this week?

(Thursday, February 26th)

Year 7 learnt to identify what is personal and private information and what should be shared online, and to evaluate online rules advising students how to stay safe when using and posting on the internet.

Year 8 were continuing with their topic on Citizenship and were learning about disability discrimination.

Year 9 - An Introduction to Sexual Education - students learnt about romantic relationships and the law in a safe environment. This is the beginning of a series of lessons that deal with more mature content in a safe and sensible environment.

Year 10 had P4C led by our Year 13 P4C ambassadors. Their stimulus for discussion was an advert on encouraging young people to vote

Year 11 had a session on anxiety, specifically on - coping with academic and social stress. The aim was for students to be able to identify how different types of anxiety manifest themselves and to know and be able to implement a variety of strategies to combat anxiety

Year 12 - As part of the speakers programme, Year 12 heard from Mr Thiru, an Executive Director - CRE Lending at Morgan Stanley

Year 13 - Carousel of hand-on sessions to support student independence.

How will it help?

You and your Wellbeing Practitioner will work as a team to tackle problems relating to your low mood or anxiety. We will help you to better understand your difficulties and become a specialist in your own mental wellbeing.

We strive to equip you with a toolbox of coping strategies to help you manage your difficulties in the long term.

Who We See...

Young people who:

- ✓ Are aged 11-18 and attending school
- ✓ Sometimes feel anxious (e.g. feeling anxious in social situations; feeling panicky; phobias of specific things)
- ✓ Sometimes feel low (e.g. loss of motivation; no longer finding enjoyment in the things they used to; change in appetite; low self-esteem; frustration)
- ✗ who have received a previous intervention from CAMHS
- ✗ who are currently on a waiting list to receive an intervention

What we expect from you

We need you to:

- ✓ Attend 6-8 weekly sessions
- ✓ Practice the suggested ideas and strategies regularly
- ✓ Work with the Wellbeing Practitioner to improve your wellbeing

Pastoral support

We have a range of support services available in school to help your child should they need some extra support. These include a school counsellor, ELSA, pastoral support officer, mental health champions and peer mentors. Please contact your child's Head of Year directly should you have any concerns.

Off The Record

At our free online workshops we share practical tips and info about issues you might be struggling with and there is also the opportunity to meet other young people and share ideas in a safe and confidential chat room and Zoom (there is no pressure to appear on camera)

Children's and Young People's Wellbeing Service
